28. [] LIAISON Audrey Hatry, Clerk, Senate Select Committee on Intelligence staff, called in response to a message I had left earlier for her requesting a copy of the testimony of former DCI's William Colby and Richard Helms on the open budget question before the Senate Select Committee on Intelligence. Hatry said she would supply them without charge to the Agency.

However, she said the Committee was interested in obtaining copies of maps and atlases for their reference section. I gave her the names of the atlases which were published and she will check and see which ones she already has. Regarding Agency maps, I said there were so many that I hoped someone could come to the Agency and look at those maps that were available. She thought that was a good idea and indicated that she would ask Barbara Chesnik, also of the Committee staff, to review them.

29. [] LIAISON Dan Childs, Senate Select Committee on Intelligence staff, called to say that as a result of the Committee's mark-up session on the budget authorization bill, he would need to speak with DDO officials on 29 April to clarify some questions that arose during the mark-up session regarding covert action. After checking with [] SA/DO/O, I arranged for Childs and Ed Levine, also of the Committee staff, to meet with [] Chief CA Staff, on 29 April at 2:00 p.m.

Karalekas also asked me the status of our commitment to provide reports to the Committee on incidents reported to the IOB. This was agreed to in Mr. Knoche's 21 January 1977 letter to the Committee, but has not been implemented pending approval of the new administration. I told her I would check on this and let her know.

Mr. Davidson indicated that two changes had been made, but that a third relating to congressional power to obtain Executive branch budget request information remained in the bill. He said he would make a copy of the latest Committee print available for our review. The Subcommittee still plans to mark up the bill very soon.

18. [] LIAISON Dropped by to see Lee Verstandig, Legislative Assistant to Senator John Chafee (R., R.I.). Verstandig mentioned to me that Senator Chafee had wished him to be his designee on the Senate Select Committee on Intelligence, at least on a temporary basis until such time as he retained a permanent staff man for this purpose. Verstandig said a request had been made to the FBI for a field investigation back in February but nothing had been heard from it. I told Verstandig that I would be happy to check with Paul Daly, FBI, to expedite this clearance if in fact it had been received. I told Verstandig that he might also want to check with the Committee staff on the status of the clearance request.

19. R. 10, the Hatch Act repeal bill which had just cleared that Subcommittee for full Committee action. She told me the full Committee was planning to take it up on Wednesday and they would probably give it rather close scrutiny. I passed this information on to Hilda Schreiber, OMB, and she was appreciative. She also asked that we arrive at a policy decision of Hatch Act coverage of intelligence personnel as soon as possible.

6. [REDACTED] LIAISON At [REDACTED]

request, I called Gary Brown, on the staff of Representative Bud Shuster (R., Pa.), to discuss the unclassified CIA report on the international energy situation. Mr. Brown simply wanted some of the statistics to provide the Congressman, who was leaving town this afternoon. I read him the summary of the unclassified report.

I later talked to the Congressman and answered some questions he had on the international oil situation.

A copy of the report was later provided to Gary Brown.

7. [REDACTED] BRIEFING Accompanied Anne

Karalekas, ~~Senate Select Committee on Intelligence~~ staffer, to the Chamber of Commerce building where she spoke to an Intelligence Process Course. The group received her talk very well and raised enthusiastic and challenging questions concerning the use of intelligence by the Select Committee and by Congress as a whole. While driving back to the Hill, Ms. Karalekas indicated that as a former teacher she thoroughly enjoyed the spirited exchange with our people.

8. [REDACTED] ADMINISTRATIVE DELIVERIES

Delivered to Mary Dooley, staff of the Senate Judiciary Subcommittee on Internal Security, a copy of the Agency "Chiefs of State and Cabinet Members of Foreign Governments" per her request. She was away from her desk and Alfonso Tarabochia, of the same Subcommittee, said he would pass it on to her.

9. [REDACTED] BRIEFING I accompanied [REDACTED]

ORPA/WH/Cuba, for his afternoon briefing of Charles E. Horner, of the staff of Senator Daniel P. Moynihan (D., N. Y.), in Senator Moynihan's office, on Cuba's posture vis-a-vis Puerto Rico and elsewhere. Horner's questions ranged widely and suggested some knowledge of Cuba and the historical antecedents of its current policies. We noted that the FBI should be Horner's source on Puerto Rico itself. There were no questions for follow-up answers. Horner also commented that Senator Moynihan planned to designate his staffer on the Select Committee on Intelligence soon.
